***RE: Call Handling Agreement with Baxter Healthcare Corporation
9-1-1 PEAP Petition- Deerfield Facility***

Dear Mr. Johnson:

Pursuant to Illinois Commerce Commission regulations, this letter serves as an agreement between Baxter Healthcare Corporation's ("Baxter") Deerfield Facility, located at 1 Baxter Parkway, Deerfield, Illinois ("Deerfield Facility" or "Facility"), and the Deerfield Fire Department. This agreement sets forth what should occur in the event that an incident at the Deerfield Facility requires notification of external emergency response resources. The following terms apply to this agreement:

1. **Notification:** If an emergency incident beyond the capacity of the Deerfield Facility's internal emergency response team occurs, the Facility will request additional response resources. These resources include, but are not limited to fire, police, HAZMAT, and medical responders.
2. **Method of Notification:** The Deerfield Facility's security personnel shall notify external emergency responders by dialing "9-1-1" according to their internal procedures. This call will be routed to the appropriate Public Service Answering Point (PSAP) based on Deerfield emergency telephone system ("ETS") procedures.
 - a. The PSAP's telecommunicator's display will show the appropriate information pertaining to the Deerfield Facility and the Facility's security personnel shall provide appropriate information regarding the emergency incident.
 - b. The PSAP telecommunicator shall question the Facility's caller based on the PSAP's 9-1-1 procedures.

- c. The PSAP's telecommunicator shall notify the appropriate responders based on the PSAP's operating procedures and the type of emergency the Facility has reported.
 3. Baxter agrees to maintain and operate a Private Emergency Answering Point (PEAP) at its Deerfield Facility, 24-hours a day, seven days a week, for the purpose of answering and responding to internal emergency calls from its employees, contractors, and visitors.
 - a. The person responsible for the Deerfield Facility's PEAP is:

Jeff Wynveen, Director, Environmental, Health & Safety

Work Phone Number: (847) 270-4912

Home Phone Number: (847) 265-5499

Mobile Phone Number: (847) 650-2422
 - b. The 24-hour non emergency phone number for the Deerfield Facility's PEAP is: (847) 948-3838
 - c. The above-named person is responsible for updating the Deerfield ETS whenever significant PEAP changes occur. Any material changes to the PEAP will be made in writing to the 9-1-1 coordinator at the Deerfield Fire Department.
 4. Details of the Deerfield Facility's PEAP System, ongoing operating and maintenance procedures, and call handling agreements are outlined in the attached draft "Petition for Exemption" to be submitted to the Illinois Commerce Commission, and which will include this Agreement.
